THE MOST HOLY TRINITY

“But when he comes, the Spirit of truth, he will guide you to all truth.” - Jn 16:13a

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

LIVING THE LITURGY

We believe in one God who is Father, Son, and Holy Spirit. The reality that God is three distinct Persons yet One is something that is difficult for the mind to grasp. But, understanding God in this way is not impossible for the contemplative heart. We need only to look around us to see our triune God playing and interplaying with all of creation with each of His Persons manifesting itself. God our Father abounds in and through creation. God the Son beats in every human heart, in love, in tenderness of mercy, and in our neighbor. God the Holy Spirit breathes life into all things and guides the course of time and the seasons, bringing wisdom and guidance to all things. Breathe in the height and depth of God's triune presence and may your heart contemplate His presence and glory.

Happy
Father's
Day

©LPI

A father is a man who loves without cost to his children and tries to raise them to be fully human creatures with the abilities to make a difference in our world. Some fathers are successful, some are not. However, almost all try their best. This Father's Day, let your dad know that you appreciate all his efforts.

First Reading: Proverbs 8:22-31

The book of Proverbs is mostly a collection of wise sayings to help people live a good life. Today's passage from Proverbs, however, is a hymn to Wisdom which in the Old Testament is sometimes symbolically described as a person coming from God.

Second Reading: Romans 5:1-5

Paul's letter to the Romans is his most detailed and important theological work. The Church chose this brief passage to be read on Trinity Sunday because, in these five verses, all three persons of the Trinity are mentioned.

WEDDING BANNS

III Roman Capone & Jordann Lewis

Dear Parishioners,

We celebrated a Memorial Mass for Peter Gramuglia who returned to Cleveland once a year to visit with family & friends here where he grew up. We extend our condolences to his wife and to his four children. Peter made sure that he raised his children in the Catholic Faith. He himself attended Mass 2x a week and had a devotion to Mary. May he benefit now from her prayers.

Congratulations to Roman Capone and to Jordann Lewis who will be married this Friday. They live in Denver but Roman attended school here at St. Leo's and so wanted to return here for the celebration of his wedding. God's joy be with them on their sacred day.

Father Vesely is scheduled to celebrate the 4pm Mass next Saturday, June 22nd. He continues to do very well at Mt. Alverna and it's always good to have him back for Mass.

I realize that some of you, like myself, like it to be more on the chilly side when air conditioning is used in the church but others, especially those who are older, prefer it to be cool but not cold. As I've mentioned here several times, it's a real science trying to get our church air conditioner to keep a certain temperature since it's an older unit (the original in fact). If you knew how many times we have the company out here to fix it! Rest assured we keep working on solutions and I just suggest you bring a sweater or jacket for those times when it may be acting up and trying to make popsicles out of us. But at least we don't have to sweat when the really hot summer days come our way (if they ever do this summer).

We won't be having coffee & donuts this month but when we resume again in July, here's something to keep in mind...just a little reminder that as Catholics, we fast from all food & drink (except water) for one hour before Communion. This is to remind us that we hunger for the Bread of life. It can be tempting to grab a donut or coffee if you enter the church through the vestibule before Mass but the time to enjoy refreshments will come soon enough. Let us first be nourished by the food & drink of the Eucharist so that we can better appreciate each other when we visit over coffee & donuts.

I'm sad to say that Abby (the cat) ran away this past week. She stays in my suite on the 2nd floor of the rectory as we have the doggy door downstairs for Michaela to use throughout the day. I am very conscious of keeping my living room door closed so she can't escape but it must not have closed tightly Sunday night as I found it open on Monday morning when I opened my bedroom door. Sure enough our security camera recorded her on the patio outside. As of Tuesday morning when I write this, she has not returned. She went in & out all the time at my old parish so I'm still hoping she will return but those of you with pets know how much we enjoy their presence. **LAST MINUTE UPDATE:** Abby came home Wednesday morning!!!!
