MEMORIES

*Before the Second Vatican Council, everyone received Communion on their tongue -- not in their hand. "I still can hear Fr. Lux's infamous "stick out your tongue" reverberating throughout the church while giving communion." — Dave Dudor, Class of 1973*

**SHARE YOUR MEMORIES WITH US!** You can submit them to [nzola@leothegreat.org](mailto:nzola@leothegreat.org) or write it down on a piece of paper and turn it in to the Rectory Office. We also welcome photos throughout the year of the people and events taking place. Send them to [photos@leothegreat.org](mailto:photos@leothegreat.org)

The current church building was completed at the end of 1969, the same year that the decisions made during the Second Vatican Council were compiled in the instruction *Memoriale Domini*. Prior to the Second Vatican Council, the Eucharist was placed on the tongue by the priest and not touched by anyone else. The current church building was originally designed with a Communion rail where people knelt to receive the Eucharist. The Communion rail was of a white marble which matched the altar and ambo. The Communion rail was removed after the congregation adopted the changes and began receiving the Eucharist in their hands.

THE HOLY LAND SHEPHERDS

will have their beautiful work displayed for you to purchase in the back vestibule after every Mass THIS weekend August 5<sup>th</sup> & 6<sup>th</sup>. Your support is greatly appreciated!

### READINGS FOR THE WEEK

#### FIRST READING: ISAIAH 55:1-3

Today's reading is from a part of the book of Isaiah written when the Jewish people were exiled in Babylon. This section is often referred to as the "book of comfort" because of the encouragement it gives. Today's passage is a glorious finale to this book of comfort: "Poor people are being invited to a sumptuous banquet."

#### SECOND READING: ROMANS 8:35, 37-39

Today's reading concludes the eighth chapter of Paul's letter to the Romans. This chapter reflects on the salvation brought about by God in and through Jesus. Paul concludes this chapter with a jubilant hymn that celebrates the love of God expressed in Christ.

## A DEEPER UNDERSTANDING OF SCRIPTURE

What is Christianity finally about? These days if you ask almost anyone who doesn't know the Bible you'll probably hear an answer like this: "Being a good person" or "following the golden rule." No offense to the golden rule, but our faith is simply much stranger than that. This week's feast of the Transfiguration of the Lord is a luminous example of this. Jesus becomes radiantly and overwhelmingly beautiful. The glory of God literally shines forth from his body and even his clothes. Here we see that Christianity is not mainly a moral system, but a relationship with God in Christ, one that finally makes human beings gloriously beautiful. Now we can see our good and bad deeds in a new and de-centered way. Our morality isn't about a heaven or hell scorecard. It's about lives open (or closed) to transfiguration, lives capable of revealing the glory of God in Christ to the world. Spouses, children, friends, co-workers, priests, consecrated women and men, and so on — we are all called to let the beauty of Jesus make our lives beautiful, little by little. His beauty in us is the center of our faith. — Father John Muir

### **PRACTICING CATHOLIC "TRANSFIGURED"**

By: Colleen Dorman

We have all had moments when we seem to get a glimpse of Heaven.

For me, they come with the sacraments: in the pew following my First Communion, kneeling before the bishop as he sealed my forehead with oil at my Confirmation, standing opposite my husband on our wedding day, cradling my newborns as the priest poured holy water over their little foreheads, claiming them for Christ.

Moments when the veil between this world and the one to come is pulled away, and our hearts cry out: "Lord, it is good we are here."

Like Peter at the Transfiguration, we desperately wish the feeling would last forever. We want to hang onto the certainty, the confidence and the joy that radiates from our souls. We want to spend forever looking upon the transfigured face of Christ.

But we are not in heaven yet. We raise our eyes, seeing only this world before us, the words of Jesus ringing in our ears: "Rise, and do not be afraid."

### **EVERYDAY STEWARDSHIP "Glimpses of Heaven"**

By: Tracy Earl Welliver, MTS

There are times in our lives that we get the chance to see a glimpse of heaven. It may be through the love of another, loved one or stranger. Sometimes it may even be an event that seems unexplainable, perhaps even supernatural. These occurrences may be the answer to prayer or they may surprise us by coming out of nowhere. But no matter their nature or origin, they give us hope and strength to carry on through life.

When we journey on a pathway of stewardship, we are bound to experience moments of grace where we see even the smallest seeds we planted grow into something amazing. At these moments, we are reminded that God is real and that our stewardship is not in vain. The giving of our gifts and talents is not just a response to God's calling. The giving is one way that God breaks through into the lives of others. As we use what God has given us for his glory, he uses us as instruments of grace to be truly present to others.

The greatest example of this occurs at the Mass. Through the hands of an ordained priest taking the gifts of bread and wine, God is really present with us. When we then take Christ into our bodies, we accept the offer to take him into the world to others. The world cannot see Jesus in us with human eyes, but through our works of stewardship, they can see Jesus in us. One could say they even have a chance to see a glimpse of heaven.

*"His dominion is an everlasting dominion that shall not be taken away, his kingship shall not be destroyed." — Daniel 7:14*

## WHAT ARE "SPECIAL" MASSES?

**Question:** Why do Parishes Offer Special Masses like Thanksgiving and Memorial Day, even though they're not Holy Days of Obligation? Am I obligated to attend?

**Answer:** Out of respect for the various civil celebrations that take place during the year, many dioceses and parishes will host special Masses. However, while it is always worthwhile to come together to worship as a community, Catholics are not obligated to attend these celebrations. As the Catechism of the Catholic Church notes, the only times that we are obligated to participate in celebrations of the Eucharist are on Sundays and holy days of obligation: The first precept ("You shall attend Mass on Sundays and holy days of obligation and rest from servile labor") requires the faithful to sanctify the day commemorating the Resurrection of the Lord as well as the principal liturgical feasts honoring the mysteries of the Lord, the Blessed Virgin Mary, and the saints; in the first place, by participating in the Eucharistic celebration, in which the Christian community is gathered, and by resting from those works and activities which could impede such a sanctification of these days.

## FROM THE PASTOR'S DESK

Dear Parishioners,

On July 28<sup>th</sup>, I celebrated the Mass of Christian Burial for Veronica Nagel, known more commonly as "Ronnie." She and her husband Jimmy were married for 19 years and we are grateful for their loving relationship which St. Paul says is a reminder to us of the faithful love of Christ for his Bride, the Church. Ronnie enjoyed praying the rosary and so had the prayers of the Blessed Virgin Mary, "now and at the hour of her death." Ronnie and Jimmy would always sit on the tabernacle side of the church by the stained glass window which depicts the Annunciation, when the angel Gabriel appeared to Mary. They both always wore a smile and had a friendly disposition. Ronnie loved the color pink which is symbolic of joy, just as the Church uses the similar color of rose during Advent to signify our joy at the nearness of Christ's coming. Ronnie enjoyed her work at an accounting firm and grew in her skills there. She will be missed by many so we commend her to the mercy of God and pray that we may see her again in God's kingdom.

I'd like to remind you that The 135th General Assembly approved a special election to be held this Tuesday, August 8<sup>th</sup>, for the citizens of Ohio to vote on Issue 1. Issue 1 asks voters if Ohio should "Require that any proposed amendment to the Constitution of the State of Ohio receive the approval of at least 60 percent of eligible voters voting on the proposed amendment." Raising the threshold to amend the Ohio Constitution does not have any direct moral content, therefore the bishops of Ohio are maintaining a neutral position. While not taking a position, the bishops are asking all Catholic churches in Ohio to inform parishioners about this election and encourage voter registration and participation in the special election. Forming Consciences for Faithful Citizenship states, "In the Catholic Tradition, responsible citizenship is a virtue, and participation in political life is a moral obligation." Just a reminder that our Parish Center here at St. Leo's is a polling location which makes it very convenient to vote for many of us.

Some of you would remember Mildred Ancin, the sister of Father Vesely who was a parishioner here at St. Leo's and who sadly died shortly after her brother last year. Mildred would have been 99 years old today, August 6<sup>th</sup>. She shared a birthday with several other people I know, but that would not be of interest to you. May she and Father Vesely rest in peace as we pray they may celebrate the life of God in heaven.

I received a letter from Bishop Malesic this past week thanking me for helping the parish reach its goal for the 2023 Annual Catholic Charities Appeal we held earlier this year. But in reality I did very little in that regard...you were responsible for allowing us to do that again this year as in years past. Please know how grateful I am to you for your continued generosity not only to Catholic Charities which helps thousands of people here in the Cleveland area, but also of your contributions to the parish every week which allow us to do what we can in proclaiming the gospel to those in our parish and neighborhood community. Your donations to our capital improvement fund also help us to keep up with the repair and maintenance of our buildings and grounds and so I appreciate your assistance in that as well.

This weekend we celebrate the Feast of the Transfiguration. This is celebrated every year on August 6<sup>th</sup> and is not a holy day but when it falls on a Sunday, we celebrate it as a feast instead of a Sunday of Ordinary Time. Of course you will hear the story in the gospel of how Jesus was transfigured before 3 of his Apostles and what it meant for them and hopefully in our preaching, you can hear what it means for us.

*Fr. James Schmitz*

Lord God, as the election approaches, we seek to better understand the issues and concerns that confront our city/state/country, and how the Gospel compels us to respond as faithful citizens in our community. We ask for eyes that are free from blindness so that we might see each other as brothers and sisters, one and equal in dignity, especially those who are victims of abuse and violence, deceit and poverty. We ask for ears that will hear the cries of children unborn and those abandoned, Men and women oppressed because of race or creed, religion or gender. We ask for minds and hearts that are open to hearing the voice of leaders who will bring us closer to your Kingdom. We pray for discernment so that we may choose leaders who hear your Word, live your love, and keep in the ways of your truth as they follow in the steps of Jesus and his Apostles and guide us to your Kingdom of justice and peace. We ask this in the name of your Son Jesus Christ and through the power of the Holy Spirit. Amen. —United States Catholic Conference of Bishops
